

## SCRAP DRIVE NOW COUNTY WIDE

### YIELD NO MORE ORDERS STALIN

#### RED ARMIES BEGIN BIG PUSH ALL ALONG LINE

Joseph Stalin, the quiet Georgian who leads the world's largest country as a dictator, telephoned early Thursday to his armies at Stalingrad.

He told General Timoshenko to yield no more ground, to defeat the Germans or die.

Adolph Hitler who said on Wednesday that Germany will never capitulate, promised the capture of Stalingrad. Stalin says his armies will not yield the city that bears his name.

The battle on the Volga may well yet become the largest graveyard of all time.

When Stalin sent his message to the men his armies surged forward northwest and southwest of Stalingrad. The Germans were stepping up their bombings and all indications were the final stages of the battle have been reached.

Hitler now says he will try to hold what he has gained. Germany, in the opinion of most informed leaders, is defeated. Russia, the land that got Napoleon was becoming cold with snow today as white carpets seeped through the Caucasus and came to the great plains.

Speculation was rife Thursday on the second front. Italy, Norway or France are all in the guess.

According to London 47,000 civilians have been killed by German bombing planes on the British Isles since war began.

#### WAR BOND SALES DRIVE OPENS WITH CANVAS

Cameron's War Bond and Stamp sales drive was well under way Friday and Grady Little, Chairman, announced that by Thursday or Friday 75 people would be engaged in a city wide canvas of every home and every business house.

The canvas was started Tuesday morning following a poorly attended bond rally Monday night.

The preliminary reports are that a large amount of Stamps and Bonds were purchased the first day.

Mr. Little said that with the remaining \$100,000 to be raised it had been suggested that this effort be designated a special goal in line with other cities, the purchase of a bomber. Although the amount to be raised under the quota would not replace his ship, the \$100,000 would be a good start on the replacement of Lt. Frank M. Newton's ship, the "San Antonio Rose," lost when the flyer was shot down in the Mediterranean Sea to become a German prisoner.

The War Bond and Stamp drive will continue through to January. Advertising and publicity campaigns are planned.

#### HOYTE HOME CLUB TO ENTERTAIN SOLDIERS

The Hoyte Home Demonstration Club was preparing Thursday to entertain some 200 soldiers here Saturday night.

It was expected that a full Battalion might be here but there was no official confirmation.

The Hoyte Club will be host to the men from Camp Hood at the USO building and the entertainment program includes a Jitterbug Contest.

A box supper will be held and the proceeds will go to the USO. Cameron girls are especially invited and to bring boxes to be contributed.

The Hoyte Club was making elaborate preparations for the entertainment. It is the first club to take over host duties and was widely appreciated here.

Roy McAte of Burlington transacted business in Cameron Tuesday.

Mr. and Mrs. Grady Cooper of Cameron and Mr. and Mrs. Willard and son, Carl of Maysfield made a pleasure trip to Galveston on the week end.

#### Milk Supply Here May Get Price Boost Says Mayor

Cameron milk prices may soon be increased according to Mayor Leland Green who calls attention to a recent statement by office of Leon Henderson, Price Administrator.

According to press notices permission has been granted to regional Price Administrators to grant price increases in smaller communities where justified.

This was taken to indicate that Cameron may insure its milk supply through the Chamberlain Dairy which recently announced it would close if an increase to 14c per part were not granted.

#### Newton Memorial Hospital Nearing Capacity on Patients

The Newton Memorial Hospital, recently opened was nearing capacity for patients Wednesday and Thomas Raymon, business manager for the hospital said that patients facing need for hospitalization within the near future should make room reservations.

The hospital, a modern home for the sick, was opened recently in the home of the late Dr. W. R. Newton, Sr., and the hospital has been named in his memory.

It is a modern hospital with the best equipment possible to obtain and has the added advantage of home like surroundings.

#### Cameron Fans Urged To Attend Rockdale Game Friday Night

Cameron was urged Thursday to attend the Rockdale and Cameron football game in Rockdale Friday night.

There are a number of reasons. Aside from a friendly, good game between neighbors in the same county, the Yoemen team will receive 50 per cent of the gate and if Cameron fans will turn out in good numbers benefits that are badly needed will be realized.

Due to the fact that people generally this year will not go far to attend ball games, all home games should be well patronized. Not much effort nor any considerable wear on auto tires will be necessary for the game in Rockdale.

Make your plans now to go to Rockdale Friday night.

#### Four Major Classes Elect Officers

Four major classes in Yoe High School have elected officers for the year, according to announcement from the office of the Superintendent.

Bonner McLane is President of the Senior Class and Marjorie Kidd is Secretary.

Junior Class: Bill Bonwell, President; Geraldine Chambers, Secretary. Sophomore: Pauline Cluck, President; Bob Wood, Secretary and Billy Gaston, Vice President.

Freshmen: Jack Hearne, President; Gillis Graham, Vice President; Almarie Brady, Secretary.

#### Takes Salaried Job On Ration Board Here

F. L. Gregory who has been a member of the Agriculture Adjustment Association for Milam county, has resigned to become executive secretary for the Ration Board.

This new job will place Mr. Gregory in active direction of the work of the board here. The Herald announced sometime ago that a salaried position such as this would be open. The Board elected Mr. Gregory to the place.

He is well qualified and the board's selection is generally approved. His home is in Thorndale. It was understood the place pays a good salary.

#### CAMERON SCHOOLS TO AID IN SCRAP DRIVE

Cameron schools have entered the scrap metal drive and will be active for two weeks beginning October 5.

The schools throughout Texas are engaging in this campaign under a program worked out by the office of the State Superintendent. County Superintendent Chas. M. Hicks, has been made director for the county for the rural schools.

The Cameron schools are operating under their own campaign plans. Recently the Federal Government instituted a campaign in which American school children are to take part.

Prizes in war stamps in the amounts of \$3 for the first \$2 for the second and \$1 for the third. These prizes will be given in the high school and in the grade school.

In addition to the prizes the class reporting the largest amount of scrap metal, rags, rubber, burlap bags or manila rope, will be given a half holiday.

#### 50 TONS SCRAP METAL ALREADY GIVEN HERE

Cameron's Scrap Metal Drive was making good progress early Wednesday according to Mayor Leland Green who said that early today 12 calls were on file and that calls are coming in from the county.

The Maysfield community has a scrap metal drive under way. It was understood that the county might undertake to handle the transportation of these metals.

Mr. Green said that he was attempting in co-operation with others to work out a system of making a block to block canvas. Air raid wardens will be used and the city will be asked to close for several hours at a date to be announced.

During the period in which the business houses are closed a canvas will be made and scrap metals gathering and piled at convenient points on each block. The city trucks would then haul to the junk dealer. All metals sold the proceeds go to the Red Cross.

Local buyers have purchased a large amount of scrap since the drive was inaugurated.

#### BOND RALLY HERE POORLY ATTENDED

Cameron's War Bond Rally scheduled for Monday night was poorly attended and in view of the expected response was a failure, it was agreed here Tuesday by leaders in the bond sale plan.

Capt. Marvin E. Smith of Camp Hood, a member of the Arizona State Senate, was the speaker.

Not more than 150 were in attendance and many of these children.

Whether the meeting was sabotaged or the poor attendance the result of rock ribbed complacency, was not immediately pronounced. Cameron is far behind in the quota of bonds to be purchased in 1942. Milam county as a whole is far behind in its quota. Cameron has been unfortunate in its approach to the whole problem of co-operation in the war effort. Leadership has been lacking and popular response has been slow.

While the rally may not influence the eventual sales of bonds it was looked upon as an index by those in close touch with the movement. It is regarded as an unfavorable sign and may be called by its right name if complacency is not allowed to fall away from those who hate Roosevelt and are out of harmony with the war effort.

#### MARRIED AT BURLINGTON

Buck Strickler and Nelcine Kleypas of Burlington were married at Saint Michael's church Saturday morning at 8 o'clock. Mr. and Mrs. Vernon Kleypas were attendants.

#### In Field Artillery

CHARLIE J. TOMEK

Charlie J. Tomek, one of two brothers in the armed services of the United States, is the son of Mr. and Mrs. Frank Tomek of the Elm Ridge Community, is at Fort Sam Houston in Battery C of the 38th Field Artillery.

A volunteer in the service, he has been in the army for about two years. Another brother, Frank Tomek, Jr., is at Fort Bliss, near El Paso.

Charlie J. Tomek comes from a family of volunteering patriots. In the family of his father and mother there are already 22 fighting men in the service of the United States.

He was born and reared on the farm near Elm Ridge and attended school here.

When the selective service training act came on Charlie joined up for service. He has made a good man for the armed forces and has enjoyed promotions. His many friends here are glad to know of his successful army service. Soon the immediate family will have two more sons in the service. They are soon to report, one 17 who plans to volunteer right away. Thus far the Tomek family has more members in the armed forces than any other in the county.

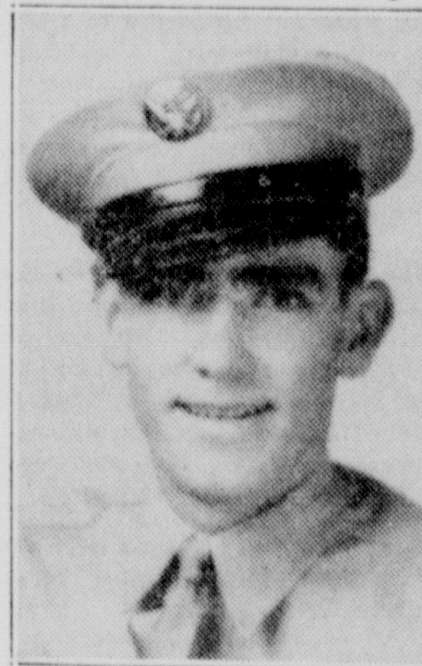

Mrs. Frances Tomek at Ad Hall has 4 sons in the service.

#### R. A. FRASER DIES AT CALVERT HOME

R. A. Fraser, 70, died at his home in Calvert early Saturday morning, it was announced here shortly before noon.

Funeral services for the pioneer will be held there Sunday afternoon at 4 o'clock with the Green Funeral Home in Cameron directing the funeral arrangements.

#### Is Married

SGT D. D. HARRIS

In a single ring ceremony read at 8:30 o'clock Tuesday night in the home of Mr. and Mrs. Fred Whitaker in Big Springs, Miss Jeanne Stallings became the bride of Sgt. D. D. Harris.

The bride is the daughter of Mr. and Mrs. Mack Stallings of Canyon and a niece of Mrs. Whitaker.

The Rev. R. E. Bowden, pastor of the Main Street Church of God, read the ceremony. Wedding music was played by Mrs. V. V. Simms and La Vaughn Bowden sang "I Love You Truly" following the ceremony.

The bride wore a black velvet suit trimmed with white braid and black accessories. She carried an arm bouquet of red roses. Sgt. and Mrs. Robert Wooldridge were the attendants. Mrs. Wooldridge dressed in a navy blue ensemble.

Following the ceremony a reception was held in the garden of the Whitaker home.

Mrs. Harris was graduated from Big Springs high school and attended West Texas State College at Canyon for three years before coming to Big Springs. Sgt. Harris, who is the son of Mr. and Mrs. D. D. Harris of Cameron was graduated from Yoe High and is stationed at the Big Springs flying school. The couple will be at home in Big Springs.

Attending the reception were Mr. and Mrs. Stallings and Joan James and Nina, Mrs. J. A. Forrest, Mrs. Ethel Fowler, Bobby and Betty Jo, Mr. and Mrs. J. R. Lassiter, Mrs. R. E. Bowden, Mr. and Mrs. Whitaker.

Sgt. Harris is volunteer in the army air corps. He graduated from Yoe High School in 1940 and entered the army about a year ago. He is 21 years of age.

al arrangements. Interment will be made in the cemetery at Calvert.

#### TORNO LEADS YOEMEN TO WIN OVER THE HORNETS

#### SCORES 3 TOUCHDOWNS BEHIND FINE LINE PLAY

Frank Torno, 152 pound half back, last night led the Yoemen to a decisive victory over the Caldwell Hornets, scoring 3 touchdowns, two of which he converted to make 14 points, all but duplicating his brilliant performance against McGregor.

Sharing the limelight of some as fine play as local fans have seen in many a day the Yoemen linemen from end to end, proved that any team that beats them this year will know they have been in a football game. Edging closer to the bright spot in the picture each Friday night is Albert Rettig, half back who shared the offensive burden with Torno.

Retting by his superb play paved the way for the second touchdown of the game when he took the ball on the Hornets' 25 yard line and raced in 15 yards for the flat zone and tossed off to Torno who scampered across for the tally.

Billy Cosby who went out of the game in the third quarter with an injured ankle, was living up to expectations as he drove through the Horney line for big gains. He was (turn to page four)

#### ARVIN TOMASEK DIES MONDAY AT AD HALL

Arvin Tomasek, 20, died at his home at 4 p. m. Monday afternoon near Ad Hall. He had been in declining health for the past eight months.

He was a native of Milam County, the son of Mr. and Mrs. Anton Tomasek of Ad Hall. He was born December 28, 1921, and had lived in Cameron all his life.

Funeral services will be held Wednesday afternoon at 3 p. m. from the Green Funeral Home in Cameron with interment in Oak Hill Cemetery.

Surviving are his parents, and five brothers as follows: Frank Tomasek of Ad Hall, Louis Tomasek of Blessing, Hubert and Albert Tomasek in the United States Army and Emil of Ad Hall.

Four sisters survive as follows: Mrs. Henry Havlik and Mrs. Ben Vybiral of Ad Hall, Mrs. Emil Balusek of El Maton, Texas, and Mrs. James Svetlik of Bay City.

Nig Moody is very sad. Why? Because he sold his good saddle horse Billy. He was a well trained horse and Nig loved him very much.

#### COUNTY WIDE DRIVE FOR SCRAP PROCLAIMED

A county wide drive for scrap metal in conjunction with the national appeal of newspapers, has been proclaimed by E. E. Brogdon, county chairman, for Wednesday, October 14, 1942.

Business houses are requested to close between the hours of 2 p. m. and 6 p. m. The following proclamation has been issued by Mr. Brogdon:

WHEREAS, the National drive for scrap metal and other vital war materials necessary for defense is now, and has been in progress over the nation and throughout our county for the past several weeks, and:

WHEREAS, the newspapers locally and all over the U. S. co-operating with the National Defense Council are making daily appeals to all loyal and patriotic Americans to "WAKE-UP" to the imperative needs of all scrap metal that is now so essential at this time, and:

WHEREAS, we have read press reports daily coming from all sections of our land where major construction concerns and operators will be compelled to close down business because of the shortage of these important metals, unless some drastic measures are taken by our people at this time to increase the supply, and:

WHEREAS, it has been called to the attention of your County Chairman that thousands of pounds of usable scrap metals are scattered in large quantities far and wide over the county and which can be readily secured for our "ALL OUT WAR EFFORT" if our citizens will immediately realize the seriousness of the situation we face at this time and increase the supply without delay, and:

WHEREAS, for the convenience of those who will donate their scrap may do so by contacting their school principal or local committee and those who wish to sell their scrap and wish to retain the proceeds may do so by selling same direct to the authorized junk dealer.

NOW, THEREFORE, I, S. E. Brogdon, County Chairman of the National Salvage Campaign for Milam County do hereby proclaim Wednesday, Oct. 14th, 1942, as "SCRAP METAL DAY" and urge all business establishments to close between the hours of 2 and 6 p. m. in order that employers and employees may have an opportunity to assist and co-operate in the campaign 100%. I request that each and every individual lay aside his personal activities and enlist in this movement which will play a big part in the drive for VICTORY.

S. E. BROGDON, County Chairman, National Salvage Campaign for Milam County.

#### MARTIN C. RUSSELL DIES AT NORTH ELM HOME

Martin C. Russell, 71, died suddenly at his home near North Elm school Monday morning, September 28, 1942.

Mr. Russell suffered a heart stroke shortly after he had arisen for the day around 5 a. m. He died at 6:30 a. m.

He was a native of Milam county, having been born at Yarellton on August 16, 1871, and had made his home in that community all his life. Surviving are his widow and two children, Ewell Russell and Myrtle Russell both of the North Elm Community.

Funeral services will be held Tuesday afternoon at 4:00 p. m. at the North Elm Baptist Church with Rev. John Cole and Rev. P. L. Caperton, officiating.

## WILLKIE VISITS FRONT AT STALINGRAD FRIDAY

Wendell L. Willkie, personal representative of President Roosevelt, was within 5 miles of the smoking ruins of Stalingrad Friday, said a communication from Russia.

Mr. Willkie said that Russian soldiers fighting on the front wanted to know when the United States will open a second front. What Mr. Willkie said could not be revealed.

After a chat with Stalin in which it was reported disappointment was expressed that the United States and Britain have not come to the aid of the Soviet, the special envoy left for front. He wanted to fire a Russian field gun but did not get the chance.

Indications were the Germans may have abandoned hope of taking the city by storm and depend on a long, weary fight.

The British have completed conquest of Madagascar but will permit the French flag to fly.

Allied warships and bomber planes were blasting Jap positions in the South Pacific in a new flare up of the far eastern war.

Mrs. John Henry Wilson and Miss Katherine Luce visited John Henry Wilson and Barkley Jeter last week end. They are with the U. S. Army and are stationed at Wichita Falls.

Gloria Halberdier and Pherral McElwath are visiting in their homes today. They are employed in Temple.

## Football Fans Here Should Buy Tickets Protect Athletics

Football Fans in Cameron should remember two outstanding facts this year. They will not be able to attend outside games as last year due to tire shortage. The other is liquidating some vital indebtedness.

By buying tickets and patronizing the five games to be played here, protection can be given our athletic set up and properties. Restricted travel to outside games can be turned into big local benefits by attending home games.

Right now the Athletic Council is indebted and have had some very poor seasons. All lovers of football now have a plain duty. Forget about outside games and attend your own home games. Let's defeat the strictures the Axis have placed on us by saving our tires and making the home season a success.

The following visited in the home of Mrs. Jewel Stewart this week end: Mrs. J. L. Isbell of Beaumont, Mrs. Mae Hill of Fort Worth, Mr. and Mrs. Carl Stewart of Houston, Miss Fay Shaw of Belton and Lieut. James A. Stewart of Milano, who was sent to the West Coast from Florida.

Mrs. Ida Johns and sons were visitors in the C. M. Hightower home at Walkers Creek.

School buses are in town for the annual inspection by the Highway Board.

## CITY WELCOMES BAND SWEETHEART CONTEST

Cameron was happy to greet eight nominees for Band Sweetheart on the eve of the first football game of the season.

This annual selection of a band sweetheart serves a two fold purpose. It affords the people of Cameron an opportunity to honor the most popular girl and to help the band.

Mrs. Ralph Michalka and Mrs. J. E. Flinn called at the office of the Daily Herald Friday and gave information on the Sweetheart campaign developments.

The contest officially opened Friday and will continue for ten days, ending October 3rd, at 8 p. m.

Nominees are: Geraldine Chambers, Caroline Brock, Eleanor Clore, Betty Jean Shipp, Gloria Hearne, Mary Jean Dockery, Aileen Hollas and Betty Joe Dockery.

The proceeds from the sweetheart contest is used for buying band uniforms and instruments. In time this annual contest has played a big part in support of the best high school band in Texas.

The Sweethearts will collect vote money. The Midget will print the picture of the winner so boost your choice and lets make the contest the best ever.

Perry Overton of Wichita Falls was a business guest in the County Judge's office Thursday.

## 52 Inductees Leave Cameron For Army

Local Board No. 2 inducted the largest number of registrants since the draft act was put into effect, Friday when 52 were sent to the induction station at Fort Sam Houston.

Large calls are to be made on the Local Board. Only a few married men were included in the 52 who were inducted Friday. The October call will be made up almost entirely of married men.

Married men without children are in Category 3. The Local Board, according to Mrs. Jack Lewis, Chief Clerk, is rounding out classification work and will complete Category 3 classifications by Monday, September 28.

Mr. and Mrs. Roy Yates of Branchville visited their daughter Rosemary over the week end.

J. D. Abernathy of Rockdale was a business caller in Cameron Thursday.

## SIGNAL CORPS MEN TO BE HERE OCT. 6

Staff Sergeant William B. Ganus and Sergeant Lowell G. Reynolds, recruiting officers for the U. S. Army Signal Corps, will be in Cameron at the Post Office from 7 a. m. until 9 a. m. Tuesday, October 6, for the purpose of interviewing technicians who know or have some knowledge of the following named trades: Radio repairmen, radio operator, telegraph and telephone men of all types and electricians.

Pvt. Emory Miller, who is stationed in South Dakota is here on furlough and is visiting his sister, Mrs. Otte Malone and mother, Mrs. J. K. Miller of Bryan.

Pauline Nolan of Burlington is leaving today for Washington, D. C., where she will be employed at the Dumbarton College.

## Sgt. John B. Watson To Become Lieutenant

Technical Sgt. John B. Watson, Jr., of Cameron, a publications clerk in the Texas Division Adjutant General's department began training this week for a commission as a second lieutenant at the Adjutant General's Office Candidate School at Fort Washington, Maryland.

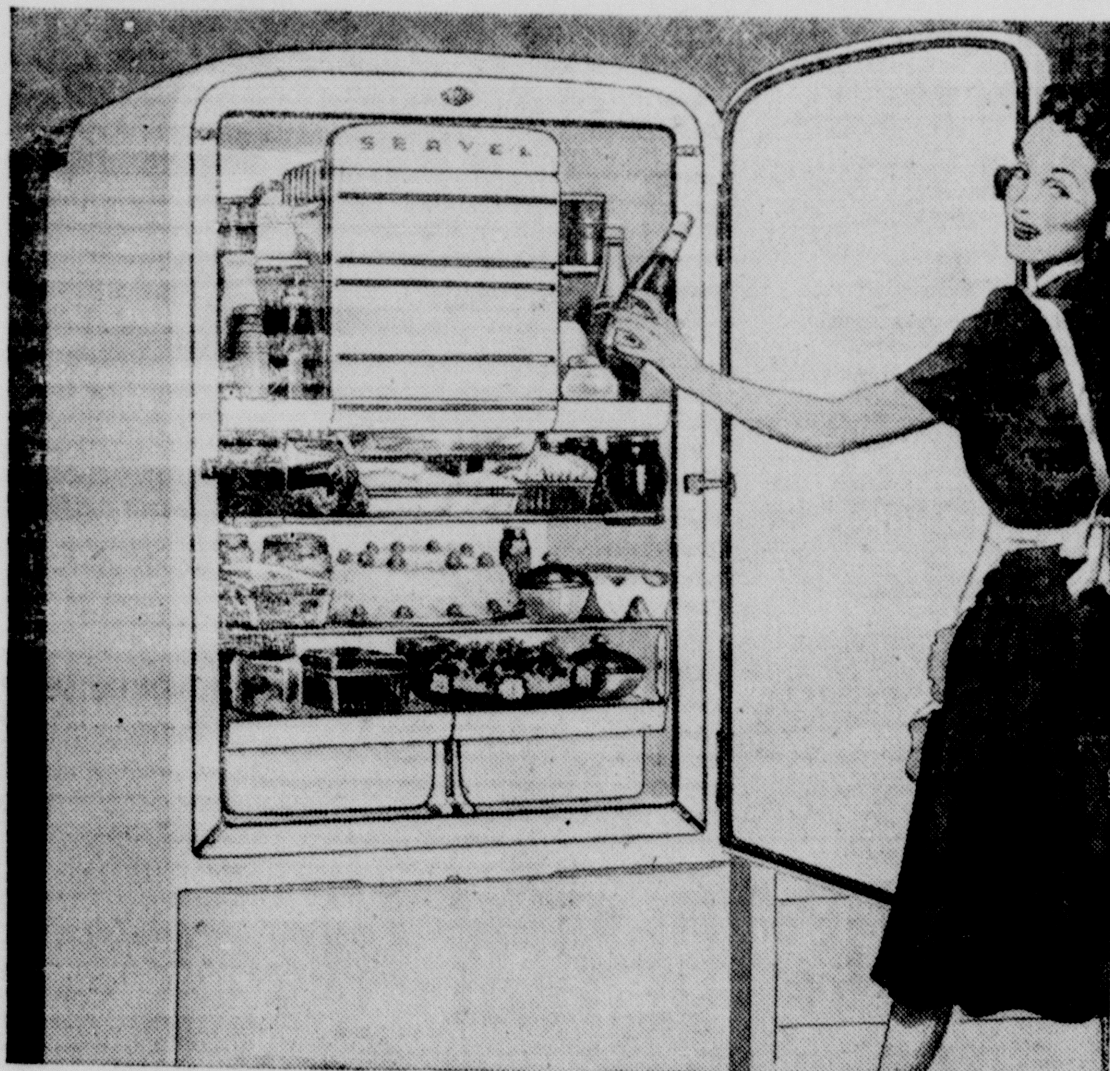

Son of Judge and Mrs. John B. Watson of Cameron, Sergeant Watson has served with the division on two maneuvers, joining the armed forces in January, 1941. He has just completed participation in large-scale war games in the Carolinas.

The nimble fingers of Ace Typist Watson, a salesman in Houston as a civilian, have cut an estimated number of over 10,000 stencils in his 18 months of service with the publications section.

Mr. and Mrs. C. A. Praessel of Gay Hill were business visitors in Cameron Monday.

## H. C. HENDERSON DIES IN BURLINGTON MONDAY

H. C. Henderson, pioneer, died at his home in Burlington at 6 a. m. Monday from heart attack.

Mr. Henderson, was thought among friends to be in good health although he was about 67 years of age.

Funeral services were held Tuesday with interment in the Burlington cemetery.

Mr. Henderson was a brother of the late Wm. Henderson of Cameron. He had been a resident of this county for many years, was born and reared a short distance from Burlington. He was the son of the late Col. Watt Henderson, a confederate soldier. A half brother, Watt Henderson, lives in Palestine.

Mr. Henderson was prominent in Republican political circles a quarter century ago. He had been a member of the Burlington School Board for a number of years.

Mr. Henderson was engaged in the ginning business and had been so engaged for many years.

## Lacol Bar Keeper Says He Was Attcked By 2

Bruno Aixman, local bar keeper requested additional information on the attack which was made on him Sunday morning.

Aixman who was on his way home said he was attacked by two men. Frank Tubbs was arrested by City Marshal, Gene Smith, and paid a fine. Aixman said Bernice Williams got out of the car and struck at him with a bottle and threw a rock at him, as he escaped from the men after being struck with a wrench.

## Judge Kemp to Select 3 Cadets for Naval Flying School

Judge Jeff T. Kemp has been advised that he will be given the privilege of selecting three young men who desire to enlist in the U. S. Naval Air Corps.

These young men must be high school graduates between the ages of 18 and 27. They will be given regular Aviation Cadet training, but the Board would retain them on inactive duty in order for them to appear at the county seat on Armistice Day.

One Cadet will be selected to read a prepared memorial from the court house steps at 11:00 a. m. on Armistice Day. If interested contact Judge Kemp.

## Hilliard Thomas Is Home From Iceland

Hilliard Thomas arrived in Cameron at 1 a. m. Friday after months of absence with the armed forces.

After enlisting, as a volunteer in the service he was assigned to the finance department of the army and had been in Iceland, being with an early contingent of the American troops to go to that distant outpost after the United States seized the island.

Many friends here are glad to see Hilliard and wish him a pleasant visit with homefolks. It was said here that his activities recently have been of such a nature that his whereabouts could not be revealed.

Sam Dobbs of Yarrellton was a guest in Cameron Thursday.

## Cameron Just Now Getting Into Swing Of Junk Campaign

Cameron is just now getting into the swing of the scrap campaign, thinks Mayor Leland Green.

Yesterday a large number of calls came in, one from a large business firm, requesting trucks. Thousands of pounds of scrap metal was given from this source.

Vacant lots in Cameron will yield much stuff. A canvas has revealed that many scrap heaps are yet untouched.

It is noted that in Dallas the civic clubs have put over a most successful scrap campaign. Slow to start they finally hit stride and the people as a whole came through with fine co-operation.

The scrap campaign here will continue, said Mayor Green.

Mary Ruth Porter of Calvert spent the week end in the home of Mrs. Tom Randolph.

## YOEMEN

(continued from page one)

taken out after he had made 6 yards and was injured in the third quarter.

The line rose as one man when the Hornets, later in the fourth quarter got the ball to the one foot line. Calvin, 150 pound back for Caldwell engineered the drive and turned in a good game for the visitors. The ball went over and was punted back by Torno and that ended the threat.

The Yoemen's first touchdown came on a reverse by Torno who swept the Horney left end and went over standing up.

The third touchdown came on a line thrust from the Hornet 5 yard line at the east goal. The point was lost and the score was 20 to 0 for the Yoemen.

The Yoemen did some fine blocking and with a fast charging line in which Leo Stecher, 165 pound tackle got his share of the glory along with Angell, 162 pound left guard. Flirsh Ermis, brother of Woodrow Ermis who lost his life in the Gulf when his ship was torpedoed in May, sparked the line in some fine play at guard position, and there was Darrell Tindall, 160 pound tackle who was Captain for the night. He is a brother of Cecil Tindall who was Captain of the Yoemen in 1941. Johnny Slavik and George Michalka turned in some fine end play.

The most improved man in the Yoemen line is Clyde Batte at center. He was erratic in the McGregor game but settled down to look like a sure shot for some district consideration at center. Batte was a good pivot for a fine line against the Hornets. Another promising man is Riddle, half back who did a fine job of ball carrying as well as blocking.

For the Hornets Skrabanek at end

and Linak 190 pound end showed up well. The punting of tall 165 pound Pochl was very good.

The Yoeman chalked up 227 yards rushing while Caldwell got only 53. The Hornets got 29 yards in passing while the Yoemen made 16. Cameron attempted 13 passes and completed only 4 for a very low average. Caldwell did better, attempting 5 and completing two.

Cameron made 11 first downs while Caldwell made only 4 and the Hornets advanced in the last quarter when the mainstays of the Cameron line were cooling their heels on the bench.

In punting the Hornets led the Yoemen. Caldwell punted 6 times for an average of 36 yards and Cameron punted 5 times with an average of 32 yards.

A minute of silence was observed as the teams took the field for the kickoff. It was a tribute to the memory of Woodrow Ermis who would have been captain of the team this year had he not lost his life in a marine disaster off the Gulf coast in May. The tribute was also directed to recognition of all Yoemen in the armed services. As the minute of silence elapsed the band under Frances Cox played the Star Spangled Banner and the game was under way.

## CARD OF THANKS

We are grateful to our neighbors and friends for their sympathetic aid and comfort during our recent great bereavement in the loss of our beloved husband and father, Martin C. Russell. We remember each one who came to us in our hours of sorrow. We thank those who assisted us in any way and deeply appreciate the beautiful floral offerings.

May God's richest blessings rest upon each and everyone is our prayer.

## Large Wrench Goes to Scrap Heap for War; Given by Joe Bass

A large wrench weighing about 15 pounds, has been donated by Joe Bass to the scrap heap for war.

Mr. Bass has owned this wrench since 1917 and was given to him by the Cameron Water, Power & Light Company. Mr. Bass was employed by the company but left them in 1917. The wrench was given to him as a souvenir.

The Wrench, a fine piece of steel, was used for connecting rods repairs on a large Harrisburg engine.

The wrench now at the Herald plant will be turned over to the City.

## CHRISTIAN SCIENCE SERVICES

"Unreality" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 4.

The Golden Text is: "He that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting" (Gal. 6.8.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible. "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him . . . And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever" (1 John 2:15, 17.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Man walks in the direction toward which he looks, and where his treasure is, there will his heart be also. If our hopes and affections are spiritual, they come from above, not from beneath, and they bear as of old the fruits of the Spirit" (page 451.)

Mrs. F. G. Blake was operated on in the Newton Hospital at 8 o'clock Saturday morning.

The operation was highly successful and Mrs. Blake was making good progress. She was taken to the hospital Friday night where a room was reserved for her.

The new Newton hospital was recently opened and now has a large number of patients. The new operating room is one of the most modern in Central Texas. A formal opening will be held for the public soon.

## Full Battalion of Camp Hood Men Due Here Very Soon

A full Battalion of Camp Hood soldiers are due in Cameron very soon, perhaps this week end or next, according to L. Van Perkins, manager of the Chamber of Commerce.

Cameron will be ready to entertain the men. There have been only a few men to visit here at week end during the past three weeks. Bus drivers have been unable to get loads from Cameron and there has been some

confusion also.

Cameron has been unusually cooperative in entertaining these men. Quite a few were noted in Cameron churches on last Sunday morning.

## Scrap Drive Plans Presented to Rotary

S. E. Brogdon, county chairman for the scrap drive, brought plans to the attention of the Rotary Club Wednesday and the Club has voted to cooperate with the movement.

It was announced by Mr. Brogdon that October 14th has been designated for a county wide drive. All business houses are to close from 3 to 6 p. m. on that date.

Mr. Brogdon said that this is the most vital job now confronting the American people and said it was too little a thing to hesitate over when boys are giving their lives.

Rev. John Calvin Solomon, pastor of the First Presbyterian church, was introduced by M. H. Boehner as a new member in the club.

### METHODIST CHURCH NEWS

**WAR is hell!**  
Gen. William Sherman

*This phrase is inseparably linked with Sherman's name, although he could never remember having uttered it. It was vouched for by John Koolbeck, aide-de-camp to General Winslow. ## PRODUCTION LOANS FOR FALL CROPS AVAILABLE

Farmers who wish to plant fall cover crops of hairy vetch or similar legumes, as a soil building practice, may secure funds for financing this operation from the Emergency Crop Loan Section of the Farm Credit Administration, according to Field Supervisor Eric E. Brown who can be seen every Thursday morning at the Chamber of Commerce, Cameron, to discuss the loans.

Because of the War there is a serious shortage of commercial fertilizers. All nitrates are being diverted to the vital manufacture of munitions and farmers are being urged by the Department of Agriculture to grow their own nitrogen by planting and turning under cover crops. Not only is this element replaced in the soil economically by this method but farmers who comply with instructions of the AAA may also earn an additional benefit payment in 1942 and another in 1943 by carrying out the practice.

To assist in this program, Emergency Crop Loans to produce 1943 crops are being offered at this time and an early installment may be advanced at once to cover the cost of planting the cover crop. The remainder of the loan will be disbursed when needed by the borrower for planting his normal 1942 crops, the Field Supervisor states.

## WASHINGTON

By  
CONGRESSMAN POAGE

On last Sunday morning (Sept. 13) Mrs. Poage and I arrived in Washington after several weeks in Texas. Unfortunately, I spent most of the time in the hospital where I had my appendix removed and hence did not get to visit many parts of the District, but I did get to visit with many of our friends and was privileged to see some of the vital defense work that is going on in Central Texas. I would not have undertaken the return trip quite as soon as I did but for the fact that the House was to vote on the price control bill; however, I have suffered no ill effects and think I will be fully recovered soon.

More than a year ago price control legislation was introduced. At that time I supported the Gore Amendment to put a ceiling on all elements of cost including wages. This Amendment was defeated because the administrative forces at that time said they did not want to control wages. Since that time wages have continued to advance.—In most cases by direct order of the War Labor Board or as a result of the policy of the War Department in approving high wages in war plant construction. Wages make up the greater part of the cost of almost every article that consumers buy. To my mind this rapid increase in wages has been responsible for most of the increase in the cost of living. Certainly it has been much more inflationary than the relatively small increase in farm prices. As a matter of fact, if wages and farm prices advanced at the same rates, wage increases would contribute more to the cost of living than farm prices because the total paid out for wages is several times as much as the total paid to farmers for their products. Industrial wages are higher today than they have ever been. Farm prices are only about one half what they were 24 years ago, and according to a current release by the Department of Agriculture the average per capita farm income was only \$254 per year in 1941 as compared with an annual income of \$826 per capita to persons not on farms. To my mind, these figures indicate not only that farmers are not the profiteers that they have been pictured, but to me they prove conclusively that if we freeze farm prices at present levels and allow wages to continue to go up, that next year we will be faced with materially reduced farm production. Farmers simply can't pay current, much less prospective wages out of the returns they are getting for their crops. The War Department has gone so far as to guarantee contractors a profit over and above all expenditures. The War Labor Board has approved wage increases involving billions. The pending price bill specifically prohibits ceilings on wages until they have advanced 15% from January 1, 1941, and does not require ceilings then.—Regardless of the advisability of these practices, and I think there have been gross abuses in this regard, it can not be denied that they are responsible for most of the present increase in the cost-of-living.

The present price law authorizes the President to place ceilings on farm products at 110% of parity, but that does not assure the farmer of

any such price. As a matter of fact, cotton, corn and wheat are all substantially below parity. The Government loan only guarantees 85% of parity. The farmer does not have a guaranteed price of 110% of parity at this time as so many have been led to believe.

On September 7th the President sent a message to Congress asking for a revision of the price control law. In this message he stated, "Calculations of parity must include all costs of production including the cost of labor." To my mind that is fair. That is all that the so-called farm bloc has asked. That is exactly what the Brown Amendment provides. I supported the Brown Amendment and both spoke and voted for it. Without it, I fear that this nation would face a serious food shortage. It is estimated that this Amendment will increase parity prices about 12%. This does not mean that it will increase the cost of living at all.—Many farm prices are not yet to parity, but even if it were all passed into the cost of living, it would raise that level about 2 1-2%. Is not that a trifling sum to pay for justice to the farmer and farm laborer and at the same time for adequate supplies of food and fiber? Let those who condemn the farmer as a profiteer, and those who have asked for higher wages, higher freight rates, cost-plus contracts, etc., in order as they say to get the job done, recognize that if we freeze farm prices without regard to rising labor costs at a level that won't enable the farmer to pay those wages, there simply won't be any beef and bread. I think maximum food production is vital to victory.

## MARRIES IN ARIZONA

Lieut Herman Gerick was married Sunday to Miss Lucille Haword of Talt, California.

Lieut Gerick was born and reared at Ad Hall in this county and the son of Mr. and Mrs. Joe Gerick, Sr. He graduated at Yoe High School and at John Tarlton College and entered the air service.

Recently he was awarded his wings and is now an instructor at Marana Field in Arizona.

Miss Lucille Young, Reba Young, Mr. and Mrs. I. B. Allen and baby, Tommie of Temple visited friends in Cameron.

## NEW FURY IN BATTLE FOR STALINGRAD TODAY

The German siege of Stalingrad reached new peaks of fury Tuesday as reinforcements on both sides met in full battle array.

The Reds had crossed to the eastern bank of the Volga and were scoring important gains and had stopped the Germans in the Caucasus.

Hitler was reported to have fired General Von Bock who had been unable to capture the city. He was represented as determined to take Stalingrad for the effect it would have on the German people, though the industrial city on the Volga would now mean little to the Nazi.

American bombers and fighter craft were fast knocking the Japs out of the sky in the South Pacific and wrecking his ships off the Solomons.

The second front talk was about over with the statement by Winston Churchill at noon Tuesday that such an undertaking would be made in "due time."

Ben Pratz of Pettibone was a Cameron visitor Friday.

From where I sit...

by Joe Marsh

ED CAREY, our fire chief, came stompin' into the printin' office last week, madder'n a hornet.

"Say!" he yells. "If I could get my hands on that fellow Goebels, I'd stick a fire hose in his mouth and turn on the pressure." Ed shouts, poundin' my desk. "Do you know what he's puttin' on the German short-wave propaganda to America NOW? He's tellin' folks that American army camps are full of drunkenness! Can you beat it?"

"Calm yourself, Ed," says I. "Nobody's going to believe what Goebels tells 'em."

"But don't you see? He's puttin' this bare-faced lie on the air to stir up trouble."

"Pretty stupid propaganda, I'd say. Pretty silly, even for the Nazis," says I.

"How so?" says Ed. "There's people in this country that want beer taken out of the camps. That sure is going to hurt army morale. And this lie certainly is fuel for their fire."

"Not if I know Americans," I says. "And the Nazis don't know

us. People realize that if Goebels wants beer taken away from our soldiers—there must be a reason. The enemy won't stop anything that's hurting our army. They'll try to stop whatever's helping it."

"Say! That's true, ain't it?" Ed began to grin.

"Of course it's true—and reasonable people can't help but see it. So instead of makin' trouble—like they hope—they're just confirmin' what the Secretary of War and the other Army leaders believe—that among the other good wholesome things a fighting man can get at the canteen in camp—America should include beer."

From where I sit—I can guess why Goebels wants beer out of the camps. The Nazis would a heap rather face an army that already lost its rights than one that was fighting for freedom it could touch and taste and feel every day... Wouldn't you?

## DELIVERY TO BLACK SEA POWER IN 1943

British bungling and American hesitation may or may not be responsible for the announcement from Turkey that the Black Sea power will buy armaments from Germany in 1943.

The Turkish Government announced that a contract had been signed with the German government for the delivery of armaments in 1943. If Germany cannot deliver these armaments because she has lost the war the pact would seem to indicate that Turkey is at least playing both sides.

Diplomatic technique these days create some very ridiculous situations. Evidently, said comments, the Germans are certain of winning the war and Turkey is appeasing the Nazi while proclaiming full alliance with Great Britain.

This was the first major diplomatic development in recent months.

Adolph Hitler made a speech sometime Wednesday but there was no broadcast indicating what the German

leader said.

Winston Churchill announced Wednesday that half the armed forces engaging in the Commando raid on Dieppe were lost.

General Douglas MacArthur said that Allied successes are being scored in the South Pacific.

The Germans were making new and powerful attacks to force capture of Stalingrad. The Reds were fiercely counter attacking and are taking a heavy toll of the Nazi. The battle of Stalingrad is now in its 38th day.

### RICHARDS-LEONARD

Miss Josephine Richards became the bride of Horace Leonard Saturday evening at 7:15. The ceremony was performed by Rev. Lamar Hocker at his home in Cameron. The bride is the daughter of Mr. and Mrs. Tom Richards and the groom the son of Mr. and Mrs. W. H. Leonard.

The bride was beautiful in a blue wedding dress with accessories to match. She is employed in the office of Chas. M. Hicks, County Superintendent.

Following the wedding they left for Houston where they spent a few days.
